ALL NATIONS CHURCH

"Our church, from Its earliest Inception, has been a church for all people. Founded on a holiness theology by earnest seekers of the true church of the Bible, the Church of God of Prophecy adopted the philosophy that the message of the gospel Is for all people everywhere. This worldwide vision permeates the visionary leadership of Bishop A.J. Tomlinson and other early church leaders through the years. This vision still lives within our global church movement - we are an **ALL NATIONS CHURCH**....

We are an **ALL NATIONS CHURCH**. We must be compassionate to all people. We must be Intentional to love them as Christ would love them, and care for them as he cares for us."
