Holy Week & Easter

The time between Palm Sunday and Easter Sunday Is surely one of the most sacred and revered times In the Christian faith. No matter how many times we approach the reality of this week, and the cross of Jesus Christ, there Is always some fresh revelation waiting for us In the beauty of God's Word.

In my own studies this Easter season I learned that roughly 35% of all four Gospels are made up solely of the events from Palm Sunday to Jesus' ascension. Surely we recognize that this Is the foundation for the Gospels entirely, and the whole of God's Word. However, It struck me that we focus so Intently on these portions of the Gospels for 8 days, and then we often do not revisit them until Easter comes around again.

A significant portion of Jesus' teachings occur between His triumphal entry and His sacrifice on the cross. As I have been re-studying these teachings there has been a greater awareness In my own heart of just how urgent Jesus must have felt when presenting those teachings.

This Easter season I want to challenge you not to relegate these portions of scripture to just this season of the year. Contemplate them, study them, soak them In throughout the year that the weight of Jesus' sacrifice and love for you may strengthen you at all times.

KENTUCKY MINISTRIES

In March of 2026 the Kentucky Marriage Enrichment team gathered together for a weekend of fellowship and planning. This team Is comprised of: Bishop Jeff & Sherri White, Pastor Mike & Dana Estep, Pastor Ron & Kim Taylor, David & Connie Pate, Mark and Coralea Reynolds, Paul & Carol Baker, Tom & Lynn Bolling, and Pastor Stetson & Miranda Harper.

The team spent hours discussing the future of the Marriage Enrichment Ministry In the State of Kentucky, talking about costs, locations, accessibility, and method of ministry. The Holy Spirit provided great Insight and unity to the group as they shared their own perspectives and processed feedback from pastors and church members.

Many plans were made, and details will be released soon, but the team Is moving forward with plans for a Marriage Enrichment 1 day conference on November 7, 2026. The goal of the team Is to reach 100 couples throughout the State of Kentucky.

Would you consider being one of those couples? Better yet, would you bring a couple with you? Regardless of how long you have been married, every marriage can grow stronger and healthier under the direction of the Holy Spirit.
