Summer is right around the corner, and that means one of the most impactful times of the year is almost here: Church Camp at Camp Nikao.

This year's theme is "GROW," and our heart is to see every student take real, meaningful steps forward in their relationship with God. Camp is an environment where distractions are stripped away and lives are changed. Year after year, we've seen students encounter the presence of God in powerful ways, form lasting friendships, and return home with renewed passion and direction.

How You Can Help:

- **Parents**: Make camp a priority for your child this summer. Get them registered early and begin preparing their hearts for what God wants to do.
- **Leaders & Volunteers:** We are still looking for individuals to serve—whether in security, cabins, kitchen, or worship. There is a place for you to make a difference.
- **Church Family:** Pray with us. Pray for safety, for powerful encounters with God, and for life transformation in every camper.

We truly believe this summer can mark a turning point in the lives of our young people. Let's do everything we can to make sure they're in the room.

Let's believe for growth—spiritually, personally, and as a community.
