Introducing NexGen Disciple

We are excited to announce the official release of NexGen Disciple, a comprehensive discipleship resource developed by Kentucky Church of God of Prophecy Leadership Development & Discipleship!

Designed to help churches intentionally invest in the spiritual growth of believers, NexGen Disciple provides a structured approach to biblical teaching, spiritual development, mentoring, and practical Christian service.

This new resource includes a Leader's Guide, Student's Guide, and accompanying lesson presentation media, providing churches with the tools needed to establish and strengthen discipleship ministries within their local congregations.

Our desire is to equip churches to move beyond simply making converts to intentionally developing committed, growing disciples of Jesus Christ.

NexGen Disciple is now available as a digital resource! Pastors and ministry leaders interested in receiving access to these materials are encouraged to email stetson.harper2@gmail.com.

Let's work together to raise up the next generation of faithful disciples and leaders!
